

Ovarian Cancer Australia

Dear **(Contact / business name)**

Ovarian Cancer Australia is the independent national organisation that takes action for people affected by ovarian cancer through support, awareness, advocacy and research programs. Ovarian Cancer Australia is the only national organisation that provides direct support to those living with ovarian cancer – both the women experiencing the disease and their loved ones – through support groups, phone support, online resources and more.

Each February, the organisation calls on all Australians to host an Afternoon Teal to help reduce the impact of ovarian cancer and improve the outcomes for women and their families. Whilst raising much-needed funds, these events also help to raise awareness of the signs and symptoms of the disease within local communities. More information on the campaign can be found at afternoonteal.net.au.

On **(insert Afternoon Teal date)**, I will be hosting an Afternoon Teal event at **(insert Afternoon Teal venue)**. **(Please include 2-3 sentences giving a few details about your Afternoon Teal event – what you will be doing, how many people you hope will attend and if you have held the event before)**.

As part of my Afternoon Teal event, I am planning to hold a **(raffle/auction/competition)** and would be incredibly grateful if you would consider supporting us by donating products or services to be used as prizes. This will help to ensure that all the funds raised will go to where they are needed most – to helping Ovarian Cancer Australia continue their vital work.

If you have questions or would like to donate a prize, please get in contact on **(insert your contact details)**.

We are so looking forward to raising funds for Ovarian Cancer Australia and very much hope you will choose to be involved in supporting this great cause.

Yours Sincerely,

(Your name)

Supporting women living
with ovarian cancer
